ABOUT PATANJALI YOGPEETH

Patanjali Yogpeeth is one of the most renowned & biggest institute of India, which is globally famous for its treatment in ayurveda, yoga and naturopathy. It is situated in Haridwar (Devbhoomi Uttarakhand) also known as city of temples, vishnu nagari, maya nagari and kumbhnagari.; which is famous for its spiritual environment, natural beauty, holy ganges. It's holy ambience is itself a educator for learners' of holistic development, named after Rishi Patanjali, the institute is a flagship project of his '*Holiness Yogrishi Swami Ramdev and Acharya Balkrishan Ji Maharaj*'. The purpose of the institute is to practice, research and develop ayurveda and yoga. The first yogpeeth campus is operational from 2006 whereas the second campus from April 2009. The institute aims to carry out welfare activities in the spheres of healthcare, education and other socioeconomic activities. This year patanjali yogpeeth has completed 13 years of its establishment.

ABOUT PATANJALI AYURVED COLLEGE AND HOSPITAL

Patanjali Ayurved College has been established on 4th Jan, 2010 and inaugurated by the Union Health Minister Sh. Gulam Nabi Azad. The College has been running undergraduate (BAMS) batches with a strength of 100 students and postgraduate (MD/MS) batches with strength of 5 students in 8 branches of Ayurveda. The Hospital Associated with the College is one of the Largest Ayurvedic Hospitals in the world with NABH Accreditation. It has OPD capacity of 2000 patients per day and IPD of 220 beds along with a well equipped panchkarma and shatkarma departments. It has exclusive research centre as well as diagnostic facilities consisting of pathology lab and imaging equipment. The Hospital also marks the presence of surgical unit and a fully functional shalakyia unit, Kayachikitsa, Balroga and Stree evam Prastuti tantra along with swasthaya rakshana OPD for life style and diet modification.

ABOUT CONFERENCE

The Purpose of this Conference is to bring together international scholars working in the field of medical research, ayurveda, scientists, etc. to share their views on different aspects of autoimmune disorders. This conference will provide a solid platform to the scientists and scholars from various organisations to put forth their innovative ideas, research findings by means of oral/electronic presentation, discussion and poster presentation, etc. and to come out with positive outcomes in the management of autoimmune disorders.

CALL FOR ABSTRACT/FULL PAPER

The Participants are cordially invited for the presentation on the main topic or related topics of the conference. Full Paper/Abstracts received by due dates will be reviewed by panel of experts and notification of acceptance will be mailed to the author. It is requested to ensure an original unpublished full paper or abstract in english not exceeding 250 Words.

Guidelines for submission of abstract

The abstracts are invited as per the theme of the seminar. The contents of abstract should include background, objectives, methods, results and conclusions. The title should be in capital and in bold followed by name of authors (with first name first, then middle name followed by family name) and their institutional address with email address of the corresponding author. Do not append degrees, professional designations, etc to names. The name of presenting author should be underlined. The abstract should be typed using Microsoft Word (Times New Roman, font size 12 and 1.5 pt. spacing between lines, limit 250 words). Abbreviations used in the body of an abstract should be defined at their first mention in the text. Abstract should be sent preferably through email to **pacseminars@divyayoga.com**

Abstract will be considered for presentation, only if they are accompanied by registration fee of presenting author. Normally only one paper is allowed per author, unless prior permission of organizers is taken. Last date for the abstract submission is 10 July 2019. All presenters must fill REGISTRATION FORM and send to organizers. If an abstract is accepted and Presenter does not register, the abstract will be withdrawn.

Guidelines for Oral presentation Time limits

Oral presentations -05 min

The time limit will be strictly adhered to LCD projectors for use of MS Power Point slides in Windows 7 computers provided. Presenters should be present at the venue at least 15 minutes before the scheduled start of the session and are expected to stay till the end of the session.

Guidelines for poster presentation

Posters size should not exceed 4x3 ft (LxB). Presenters should mount their posters in the assigned area at least 15 minutes before the scheduled start of the session and are expected to be present besides the posters throughout the poster session. Posters should be dismounted immediately after the end of the session.
