Prof. (Dr.) Anil Kumar is an acclaimed academician and administrator with over two decades of experience in Ayurvedic education, research, and clinical training. A postgraduate in Rasashastra & Bhaishajya Kalpana from Rishikul Ayurveda College, Haridwar, he has served in esteemed institutions across India and contributed significantly to teaching, institutional development, and Ayurvedic drug manufacturing.

He has guided numerous MD scholars and continues to mentor young researchers in advancing traditional knowledge through evidence-based approaches. Dr. Kumar has been invited as a guest speaker at multiple national and international conferences and has published research papers in several peer-reviewed journals.

Under his leadership, the institute continues to advance excellence in Ayurveda education, research, and patient care.
